Subpart A—Preliminary Matters. **Equal Opportunity Clause**

§60-300.1 Purpose, applicability and construction.

(a) Purpose. The purpose of the regulations in this part is to set forth the standards for compliance with the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended (38 U.S.C. 4212, or VEVRAA), which requires Government contractors and subcontractors to take affirmative action to employ and advance in employment qualified covered veterans. Disabled veterans, recently separated veterans, other protected veterans, and Armed Forces service medal veterans are covered veterans under VEVRAA.

(b) Applicability. This part applies to any Government contract or subcontract of \$100,000 or more, entered into or modified on or after December 1, 2003, for the purchase, sale or use of personal property or nonpersonal services (including construction): Provided, that subpart C of this part applies only as described in §60-300.40(a). Compliance by the contractor with the provisions of this part will not necessarily determine its compliance with other statutes, and compliance with other statutes will not necessarily determine its compliance with this part. Any contractor or subcontractor whose only contract(s) for the purchase, sale or use

§60-300.2

of personal property and nonpersonal services (including construction) was entered into before December 1, 2003 (and not modified as described above) must follow part 60–250. Any contractor or subcontractor who has contracts for the purchase, sale or use of personal property and nonpersonal services (including construction) that were entered into before December 1, 2003 (and not modified as described above), and contracts that were entered into on or after December 1, 2003, must follow both parts 60–250 and 60–300.

- (c) Construction—(1) In general. The Interpretive Guidance on Title I of the Americans with Disabilities Act (ADA) (42 U.S.C. 12101, et seq.) set out as an appendix to 29 CFR part 1630 issued pursuant to Title I may be relied upon for guidance in interpreting the parallel provisions of this part.
- (2) Relationship to other laws. This part does not invalidate or limit the remedies, rights, and procedures under any Federal law or the law of any state or political subdivision that provides greater or equal protection for the rights of disabled veterans, recently separated veterans, other protected veterans, or Armed Forces service medal veterans as compared to the protection afforded by this part. It may be a defense to a charge of violation of this part that a challenged action is required or necessitated by another Federal law or regulation, or that another Federal law or regulation prohibits an action (including the provision of a particular reasonable accommodation) that would otherwise be required by this part.
